

getDicomImageFrameAndTranspose

```
graph LR; A[getDicomImageFrameAndTranspose] --> B[linspace]; B --> B;
```

A flowchart illustrating a process flow. It starts with a gray rectangular box containing the text 'getDicomImageFrameAndTranspose'. A blue arrow points from this box to a white rectangular box with a black border containing the text 'linspace'. From the 'linspace' box, a blue curved arrow loops back to itself, indicating a self-call or iteration.
