

createImageWithColorbar

```
graph LR; A[createImageWithColorbar] --> B[linspace]; B --> B;
```

The diagram illustrates a sequence of operations. On the left, a gray rectangular box contains the text 'createImageWithColorbar'. A straight blue arrow points from the right side of this box to a white rectangular box on the right. This white box contains the text 'linspace'. A curved blue arrow originates from the top of the 'linspace' box and loops back to point at its top, indicating a self-loop or iteration.
